Dear Parent / Guardian:

In accordance with Board Policy 6021, the Corcoran Unified School District recognizes that some students may have special needs or unique concerns related to their educational needs.

As classes are being formed for the 2022-2023 school year, the school staff will seek to provide balance within classes to provide the most educationally sound setting for all students. In order to create balance, classes will be formed with the following priorities in mind:

1. Gender
2. Ability
3. Language
4. Behavior
5. Class-size requirements
6. Parent Preference

Parents are invited to use the link below to indicate a teacher preference for the next school year. Parents need to understand it may not be possible to be given their first choice. Parents should specify a second or third choice. **Parent preferences will be accepted via the QR Code below from May 16th to May 20th, 2022.**

**Please select the QR Code for your child's grade for the next school year.** If you have any questions, please call your child's school. Each site is open from 9:00-3:00 daily.
